

## HALE NAPILI HOUSE RULES

We, at Hale Napili, would like to welcome you to our Ohana (family). This is a list of house rules that have been adopted by the Board of Directors of Hale Napili to ensure that each owner and guest will have a quiet, peaceful and enjoyable time. The Manager of Hale Napili is authorized by the Board of Directors to enforce these rules for the safety of the owner, guest, employee and property.

1. Please register with the office to obtain your parking tags and any other items that may be of use to you during your visit.
2. Our quiet time at Hale Napili is from 10:00pm until 8:00am. Please be considerate of your neighbor and observe this quiet time. Radios, conversations, TV's and any other items that would carry noise, may be utilized, however, please ensure that the noise level is kept at a minimum during the quiet time.
3. Ironing is only permitted in the laundry room. Should you need to iron any items, you will find an iron and other necessary items located in the laundry room. Ironing can be done during business hours, please observe this rule for the safety of all involved.
4. Barbequing is NOT permitted in the building or on the lanai. Hale Napili has three (3) BBQ areas on property and you are free to use them at any time. Please respect the property, because another guest would like to use these items too.
5. When leaving the property for any length of time or just before retiring for the evening, please lock all doors.
6. DO NOT hang any towels or clothing over the railings of the walkway or lanai. Should you have any rafts, boogie boards, surfboards, roller blades, skate boards, or other items of this nature, please store them in the unit or on the lanai.
7. Parking lots should not be used as recreational areas by any guest due to the potential danger of being struck by a car or damage to the cars.
8. NO Pets are allowed of any type. Please refrain from feeding of stray animals.
9. After swimming in the ocean, please rinse off the salt water and sand with the outside shower before re-entering the unit.
10. The laundry room is available for your use at any time during business hours so noted on the laundry room. Leave this area clean when leaving for the next guest. Hale Napili offers free laundry facilities.
11. State law stipulates no nudity in common or public area unless designated.

12. Make this your home away from home and remember you are staying in someone's home. Our units are all individually owned, so please respect this. Please refrain from any excessive damage or destruction of the unit, as this will result in additional expense to the guest upon check out or during your stay. Please respect this unit as if it were your home.

Should you need any items or wish to exercise any complaints or compliments, please feel free to do so at the office or on the slips provided by housekeeping.

We, at HALE NAPILI, hope you enjoy your stay and continue to patronize our Ohana in the future.

Mahalo for you Kokuu!  
Board of Directors and Management
